

Announcement: Teaching Excellence and Achievement (TEA) Program FY2018

The American Center at U.S. Embassy Dhaka seeks visionary teachers for the Teaching Excellence and Achievement (TEA) program. TEA is a six-week exchange program for secondary school teachers during either Spring (February - March) or Fall (September - November) 2018.

Teachers working in under-resourced communities and for girls' education are particularly encouraged to apply.

The TEA program is sponsored by the U.S. Department of State's Bureau of Educational and Cultural Affairs and implemented by IREX, a Washington, D.C.-based nonprofit organization. Participants will gain unique opportunities to develop expertise in their subject areas, enhance their teaching skills, and increase their knowledge about the United States. Teachers from Bangladesh will join other teachers from around the world in the United States in either the spring or fall 2018 cohort. The program will include coursework and intensive training in teaching methodologies, lesson planning, and teaching strategies for the participants' home environment, as well as the use of computers for Internet, word processing, and as teaching tools. The six-week program will also include a two-week internship at a secondary school to actively engage participants with American teachers and students. Trips to U.S. cultural sites and academic support will be provided for participants throughout the program.

Financial provisions of this fellowship include: J-1 visa support, a pre-departure orientation held in Dhaka, round-trip airfare to and within the U.S., a Welcome Orientation in Washington, D.C., academic program fees, housing (generally shared with other program fellows) and meals, accident and health insurance, transportation to the internship school (if necessary), a book/professional development allowance, a closing seminar hosted by one of the TEA host universities in the U.S., the opportunity to host a U.S. teacher for two weeks, and the opportunity to apply for follow-on grants.
